**DECISION AND ORDER DENYING MOTION  
FOR POST-CONFIRMATION MODIFICATION OF PLAN**

At Fort Wayne, Indiana, on November 1, 2006.

Debtor's motion to modify the confirmed plan, filed on October 29, 2006, is DENIED, without prejudiced to resubmission, because the motion was not accompanied by the proposed modification, as contemplated by Rule 3015(g) of the Federal Rules of Bankruptcy Procedure. In addition, to the extent the debtor is also asking to dispense with notice of the opportunity to object to the motion otherwise required by the local rules of this court, that request is also denied, because it was not filed separately. N.D. Ind. L.B.R. B-9013-1(a)("[e]very application, motion, or other request for an order from the court...shall be filed separately, except that requests for alternative relief may be filed together.").
