DECISION AND ORDER

At Fort Wayne, Indiana, on July 8, 2008

The motion for agreed declaratory judgment filed on July 2, 2008, by Alaska Seaboard Partners and SN Servicing Corporation is DENIED. To the extent that it is supposed to be some kind of “agreed order,” there is nothing about the motion or the proposed order that indicates the plaintiff/trustee has joined in the request. The plaintiff has not signed either the motion or the proposed order. The court only has the defendants’ statement that the motion has been agreed to. That is not sufficient. Furthermore, to the extent that the motion does not seek approval of an agreement, but has some other basis, there is no brief in support of the motion as required by the

local rules of this court. See, N.D. Ind. L.B.R. B-7007-1(a).

SO ORDERED.
