New Claims Transfer Fee

Effective May 1, 2013, the bankruptcy courts will begin charging a new filing fee of \$25 for each claim transferred. The Judicial Conference of the United States approved this fee at its September 2012 session.

Bankruptcy courts will assess the fee upon the filing of the claim transfer, whether filed by a transferee or transferor. It will apply to partial claims transfers as well.

The entity filing the claim transfer must pay the fee at the time of filing, whether submitted on paper via mail or over the counter, or electronically via CM/ECF.

If you have any questions regarding this fee, please visit the United States Courts website:
