

Please be advised that there have been some changes made to the ECF main menu due to our recent Version 2.5 upgrade. When choosing from the Bankruptcy and Adversary Menus you will notice that the "Open a BK Case," "Open an AP Case," and "Open an MP Case" event options have been moved to the top of their respective menus with a space separating the rest of the standard event categories. These events are used when opening a new bankruptcy case, when opening a new adversary complaint, and when opening a miscellaneous proceeding. If you have any questions regarding this matter, please contact the court's ECF Project Manager, Michael Stewart, at 574-968-2255.
