

Public Notice

This Notice advises you that effective **October 1, 2007**, the CM/ECF events “Motion” and “Application” will no longer be available under the category Motions/Applications in the CM/ECF system. This change is part of our continuing effort to ensure the accuracy of the statistical data collected and reported in accordance with the Bankruptcy Abuse Prevention and Consumer Protection Act. As such, it has become increasingly important to use correct events when filing in the ECF system. If you are filing a particular motion and are unable to locate a specific event from our list, please take the following steps:

- ◆ Call the CM/ECF Help Desk at 1-866-248-2371 or 1-866-286-4090 for assistance. Alternatively, contact the divisional office in which the case is pending.

Hammond Division	(219) 852-3480
Hammond Division at Lafayette	(765) 420-6300
South Bend Division	(574) 968-2100

- ◆ If you are filing outside of normal business hours, select the event that comes closest to the relief sought.

If you are aware of any filings not addressed by our current doctypes, please let us know. We will continue to monitor the use of doctypes and will make adjustments to the list of events as necessary. If you have any questions, please call the CM/ECF Help Desk at 1-866-248-2371.
