

UNITED STATES BANKRUPTCY COURT
NORTHERN DISTRICT OF INDIANA

IN THE MATTER OF:)
)
LOCAL RULES OF PRACTICE)
)

ORDER AMENDING LOCAL BANKRUPTCY RULE

The court notes that it began accepting the electronic filing of documents effective September 3, 2002, by way of the court's Electronic Case Filing system (ECF). The court also notes that the procedures for filing under seal were established in the court's order authorizing ECF. Because this rule change implements existing requirements, it does not require an opportunity for public comment before being adopted. Therefore, effective immediately:

The court adopts a new local rule, B-9018-1, Filing Under Seal, which reads as follows.

(a) A motion to file papers under seal shall be accompanied by a brief in support thereof. ECF Users shall file this motion electronically.

(b) If the motion is granted, the papers ordered to be placed under seal shall be filed on paper with the clerk, and not electronically, along with a paper copy of the order granting the motion. The papers to be sealed shall be placed in a sealed envelope with a prominently marked cover sheet containing the case or proceeding caption, title of the paper, and the legend "Filed Under Seal."

(c) The clerk will maintain sealed papers in accordance with the court's internal procedures.

SO ORDERED.
