

Public Notice

Notice of Debtor's Prior Filings

As you may be aware, the court automatically docketed a *Notice of Debtor's Prior Filings, if applicable*, upon the filing of a new case. To begin providing electronic notice of this docket entry, the court must run a special report that may result in you receiving such notice in older cases. Once the court completes this initial run, you should begin receiving this notice only on the filing of new cases. We expect to complete this process over the weekend.

Sorry for any inconvenience this may cause.

Christopher M. DeToro
Clerk of Court

Date: February 27, 2015
