

NOTICE

Signature Requirements

We have considered requests regarding the court's requirement to file a signature page bearing the debtor's signature. The court's Revised Sixth Amended Order Authorizing Electronic Case Filing does not require that the signature be done in person, or with any physical contact with the debtor. We are confident that attorneys will be able to obtain the required signatures while at the same time ensuring the health and safety of you, your staff, and your clients. Please contact me at 574-968-2232 if you require additional assistance.
